

|    | Last Name   | First Name  | Lab                              |
|----|-------------|-------------|----------------------------------|
| 1  | Akaishi     | yoshinori   | KEK                              |
| 2  | Ammosov     | Vladimir    | IHEP Russia                      |
| 3  | Arafune     | Jiro        | NIAD                             |
| 4  | Bodek       | Arie        | University of Rochester          |
| 5  | Boyd        | Steve       | University of Washington         |
| 6  | Casper      | David       | University of California, Irvine |
| 7  | Cavanna     | Flavio      | University of l'Aquila           |
| 8  | Choi        | J.          | Chonnam University               |
| 9  | Co'         | Giampaolo   | Universita' di Lecce             |
| 10 | Danka       | Kielczewska | Warsaw University                |
| 11 | Gallagher   | H.          | Minnesota                        |
| 12 | Hayato      | Yoshinari   | KEK                              |
| 13 | Hill        | Jim         | Stony Brook                      |
| 14 | Holt        | Roy         | ANL                              |
| 15 | Ichikawa    | Atsuko      | Kyoto University                 |
| 16 | Ieiri       | Masaharu    | KEK                              |
| 17 | Ishida      | Taku        | KEK IPNS                         |
| 18 | Ishii       | Takanobu    | KEK                              |
| 19 | Itow        | Yoshitaka   | Univ. of Tokyo, ICRR             |
| 20 | Jeon        | Eunju       | KEK                              |
| 21 | Kaneyuki    | Kenji       | ICRR                             |
| 22 | Kielczewska | Danka       | University of California         |
| 23 | Kinney      | Edward      | University of Colorado           |
| 24 | Kobayashi   | Takashi     | KEK                              |
| 25 | Komatsu     | Masahiro    | Nagoya University                |

|    |                 |                   |  |
|----|-----------------|-------------------|--|
| 26 | Konaka          | Akira             | TRIUMF                                       |
| 27 | Kubodera        | Kuniharu          | University of South Carolina                 |
| 28 | Kumano          | Shunzo            | Saga University                              |
| 29 | Langanke        | Karlheinz         | University of Aarhus                         |
| 30 | Lee             | Tsung-Shung Harry | ANL  |
| 31 | Lipari          | Paolo             | INFN   |
| 32 | Mann            | W. Anthony        | Tufts University                             |
| 33 | Marteau         | Jacques           | IPNL   |
| 34 | Martinez-Pinedo | Gabriel           | Universitat Basel                            |
| 35 | Mauger          | Christopher       | Stony Brook                                  |
| 36 | Mcfarland       | Kevin             | University of Rochester                      |
| 37 | Miller          | Gerald            | University of Washington                     |
| 38 | Mills           | G.                | LANL   |
| 39 | Mine            | Shunichi          | UC, Irvine                                   |
| 40 | Morfin          | Jorge G.          | FNAL   |
| 41 | Nakamura        | Hiroki            | Waseda University                            |
| 42 | Nakamura        | Kenzo             | KEK  |
| 43 | Navas Concha    | Sergio            | Institute for Particle Physics of ETH Zurich |
| 44 | Nishikawa       | Koichiro          | Kyoto University                             |
| 45 | Noumi           | Hiroyuki          | KEK  |
| 46 | Obayashi        | Yoshihisa         | KEK  |
| 47 | Oyama           | Yuichi            | KEK  |
| 48 | Pandharipande   | Vijay             | University of Illinois                       |
| 49 | Para            | Adam              | FNAL   |
| 50 | Paschos         | Emmanuel          | University of Dortmund                       |
| 51 | Rubbia          | Andre             | Institute for Particle Physics of ETH Zurich |

|    |           |              |                                     |
|----|-----------|--------------|-------------------------------------|
| 52 | Sakuda    | Makoto       | KEK                                 |
